CSC's Brand New World Headquarters

Date Tuesday, October 10, 2017

Time 5:30 AM – 6:00 PM Check-in and networking
6:00 PM – 7:00 PM Presentation and tour

Location 251 Little Falls Drive
Wilmington, DE 19808
(corner of Lancaster Pike & Centerville Road)

Program This past April, we toured CSC's gorgeous makeover of 2801 Centerville Road, the Marvel Building. Now, we'll see the brand-spanking-new world headquarters right across the street! At 148,437 square feet, with a nearly 220,000 square foot garage, the building seats 700 CSC employees and a host of sustainable features: an energy efficient underfloor air supply system, LED lighting throughout, daylight sensors to reduce electrical use, green roofs and partial green roofs (to be explained), passive solar techniques, and more. With an employee café worthy of the Food Network (a wood-fired pizza oven, no less), this is going to be the space to see!
